8.2.7 Each boat must be securely pegged down at all times.

8.2.8 The Club Constitution defines actions to be taken in respect of craft left in the compound for which no membership fee has been paid – see section 22.

8.3 Fees payable for sailing dinghies kept at the club

Payment of the annual membership fee entitles you to keep two sailing dinghies in the compound; if you keep more than two dinghies at the club, an extra fee is payable for each of these; the extra fee level is set out on the annual membership form.
